Docket No. E-01345A-08-0172

I'm against and rate increase requested by APS. This is undoubtedly a budgeting problem. Specifically, too much waste and spending. The size and frequency of APS rate hikes should be a concern to all Arizonans. The "interim" nature of this request makes it all the more suspect of over expenditure. APS accounting practices should be investigated. As does a responsible citizen of Arizona, APS should identify and eliminate waste and reduce spending habits when they are overextending their budget. Passing the burden onto Arizonans is not responsible service. Tighten your belt, like the rest of us APS! Quit taxing us, "interim" or not!
